Foreword EHF President

Dear handball friends,

16 elite teams ready for captivating Machineseeker EHF Champions League 2024/25 season!

While memories are still fresh of Barça clinching their record-extending 11th EHF Champions League title just a few months ago, the new season is ready for throw-off. A total of 16 elite teams from all over the continent are set to start another enthralling race to the most coveted trophy in men's club handball. Welcome to the Machineseeker EHF Champions League 2024/25!

Barça returned to the throne by winning the TruckScout24 EHF FINAL4 in Cologne last June, defeating Aalborg Håndbold in a high-class final that concluded yet another captivating season of Europe's top-flight competition.

Both Barça and Aalborg are back on the starting grid for the 2024/25 campaign – and fans don't have to wait long to see them lock horns again, as the finalists from last season will already meet in the group phase of the new season, since they were both drawn into group B.

The same section of the competition includes several more teams that have played EHF Champions League finals in the past, most notably two-time winners SC Magdeburg – who lifted the trophy as recent as 2023 – and 2016 champions Industria Kielce.

With HC Zagreb and HBC Nantes, the group has two more former finalists in the mix, while the experienced OTP Bank - PICK Szeged and the ambitious Kolstad Håndbold complete a strong line-up in this half of the competition.

Over in group A, the race to the play-off and quarter-final spots will be just as intense, with eight teams that make for a well-balanced section. Veszprém HC and Paris Saint-Germain Handball are two perennial contenders for the trophy, who both hope that 2024/25 will finally become their season of ultimate success.

Again, Orlen Wisla Plock and HC Eurofarm Pelister will be high hurdles to clear for any team, while a trio that rocked the EHF European League in recent years now aim to do nothing but the same at Europe's top level: Füchse Berlin, Sporting CP and Dinamo Bucuresti.

Group A also includes the only EHF Champions League debutants this season, as Danish outfit Fredericia Håndbold Klub will be eager to make their first steps at the continental top level unforgettable ones.

The stage is set for another tantalising season as handball fans across the globe are following their favourite teams and players during the group phase matches, traditionally played on Wednesday and Thursday evenings.

Enjoy the Machineseeker EHF Champions League 2024/25!
